"Relationship Germs and Antidotes"

Ron Price

Vespers Program

Tuesday February 6 at 6:30 p.m.

In John 10:10 we read that the thief comes to steal, kill, and destroy, but Jesus came that we might have life more abundantly.

A key component of abundant life is to be in healthy relationships with God and with

others. Yet our common enemy has been far too successful in damaging and ultimately destroying relationships in all areas of life. Research shows he typically uses five common ways (think germs) to wreak havoc on each of us. Would you like to know what those five germs are and how to better combat them?

Join us on Tuesday, Feb 6 from 6:30 - 8:00 PM to hear author, speaker, and humorist Ron Price share tips to help you do just that.

Ron has written three books in his Play Nice in Your Sandbox series and has been featured on 3ABN Today and Conversations with John Bradshaw. He has presented for various churches and ministries in conferences across the nation. Ron promises you will leave having laughed, and learned valuable information to help you experience more joy and peace, with less strife and grief.
