# caring corner

One of the most effective ways to show someone you **CARE** is by practicing active listening. When engaging in a conversation, give the person your undivided attention.

Maintain eye contact, nod, respond appropriately and refrain from interrupting.

This demonstrates that their words matter to you and that you value their thoughts and emotions.

## Ultimate Workout 35

### Overview

Maranatha's annual teen-only project, the Ultimate Workout, is entering its 35th year, and we're headed to Paraguay and Brazil! Each year, high school-aged teens from around the world join the Ultimate Workout and find opportunities to get out of their comfort zone, serve others, connect with Christ, and grow physically, socially, and spiritually. Maranatha provides all project leadership. In fact, adults are not allowed to participate in the project unless they are pre-selected by Maranatha as staff or leaders.

This year, we expect up to 120 volunteers to make a difference in the Triple Frontier, a tri-border area along the junction of Argentina, Brazil, and Paraguay, where the Iguazú and Paraná rivers converge. Teen volunteers will help construct two new churches (Campo 9 and Km 40). Depending on the size of the group, we will paint an existing church and reach out to the community through children's ministry programs and medical clinics. For the excursion, volunteers will cross the border back to the State of Paraná in Brazil to visit the Iguazú Falls, the largest waterfall system in the world.
